Public Comment	J Olivieri School Committee Member – discussion on EQV's and Chapter 70 Net school spending. Freetown EQV at 93%. BOA explained that this EQV was just assigned for FY12, the DOR reviews sales submitted by all Towns every other year and assigns EQV's, the next scheduled would be FY14. There is nothing that can be done to change the current EQV. Looking forward the Board will be discussing this when they start to review for the FY14 assessments.
