

Lakeville Open Space Committee    March 14, 2013    7:30 p.m.

Members present: Don Foster, Brian Reynolds, Joan Morton, Linda Grubb, Mike Schroeder

Members absent: Dan Hopkins, Mike Renzi

Minutes for January read. Don moved to approve; Brian seconded. Minutes approved. February minutes will be done by Joan.

It was noted that Rita has been working on industrial zoning design. She gave two models to Linda one with an open space provision. There has been no response from Planning Board to our memo with information on open space zoning.

Mike and Linda reported on meeting with SRPEDD and changes to map of Town's preferred development/protection areas.

Don hopes to get corrections done next week during Spring Break. We noted that there will be no more proofreading, that plan is now final.

Committee discussed mechanics of paying Alpha Graphics for hard copies and CD's of plan. Conservation Commission, Historical Commission, and Board of Health were added to list of recipients of plan copies. Linda will check list and confirm number to be printed.

We discussed future mechanism of keeping plan updated and complications with systems for document control.

Historical commission has a long range planning meeting Saturday. It will consider relevant items on OS Action Plan.

Don moved to adjourn 8:30 p.m.: Brian seconded. Meeting adjourned.
