

Lakeville Open Space Committee            July 11, 2013            7:30 p.m.

Members present: Linda Grubb, Joan Morton, Brian Reynolds, , Mike Schroeder, Patrick Marshall, associate member Sarah Kulakovich

Members absent: Dan Hopkins, Don Foster

Committee decided to change meeting date to the first Wednesday of every month. We also decided not to meet this August.

Open Space Plan has been distributed to major boards, State, and SRPEDD. Still needs to be delivered to Master Plan Implementation Committee. The State sent letter saying we are now eligible for grants to November 2018.

Committee discussed that members need to review plan and decide what objectives in the action table we each would like to spearhead. As these are hard decisions to make on the spot, Linda asked members to make some choices by next meeting.

Brian moved to adjourn 9:14 p.m. Patrick seconded. Meeting adjourned.
